

JOSEPH P SANFELIPPO DDS, SC
FAMILY DENTISTRY

Dear Patient,

We realize that every person's financial situation is different. For this reason we have worked hard to provide a variety of payment options to help you receive the dental care needed to enjoy a healthy and confident smile.

It is asked that patients pay initial exam fees at the time of their first visit. This includes x-rays and treatment.

Patients without insurance are asked to pay at the time of service as treatment progresses. Payment plans are available for treatment over \$300.00.

For patients with Insurance, we are happy to file the forms necessary to see that you receive the full benefits of your coverage, however we can make no guarantee of any estimated coverage. Most insurance companies have deductibles and co-pay. We will gladly figure out your estimated portion due for each visit. Because the Insurance policy is an agreement between you and the Insurance company, we ask patients to follow through with the Insurance company should payment be overdue or non-payable. Please know we do everything possible to see that you receive the full benefits of your policy. If for some reason your Insurance company has not paid their portion within 90 days from the date of treatment, you are responsible for payment at that time.

Our goal with each of our patients is to help them enjoy the benefits of good oral health. With proper care, they may be able to have strong teeth and gums, a healthy and attractive smile, and keep their own natural teeth all their life.
